

Cavalier Symphony Orchestra Stand Rental Contract

I _____ understand that these stands are property of the Cavalier Symphony Orchestra, and must be returned before the last week of the 2016-17 school year.

The conditions of the stands when returned must be in the same, or almost same, condition as when they were received. If there is any major damage to the rental stand, the student will be fined, or will have to pay the price of the original stand price in addition to what they paid to rent the stand.
